Subject: Acknowledgement for donations received at the Aim Awards Dinner

Dear Jo and Julia,

We are writing to thank you and the team at Ford Sinclair for continuing to support our work at the recent Aim Awards Dinner and are extremely grateful that you chose BCCS once again as one of the nominated charities for the event.

We are delighted to acknowledge that a fantastic total amount of **£11,905.70** has been received to be shared with your other nominated charity 'The Children's Society'. This will be done as soon as Julie has returned from annual leave as agreed. We can confirm that the total is made up of £11,790.70 collected on the night and a further £115 transferred to us by Ian.

Throughout this current climate our work in supporting children's mental health is more important than ever and we have been working tirelessly to ensure we are here for those children and families who need our specialist care.

Donations such as these made by our corporate supporters, will help us continue our vital work with children, young people and their families in our community. Sadly, we anticipate that there will be an even greater need for our services into the foreseeable future.

Thank you once again for your continued support of our work and we hope that the event itself was an enjoyable and successful one for you all.

Kindest Regards

Bernadette
